Rev & Mrs Child

Dear Friends:

You have
given us of the Suffrage Com-
mittee great joy by the aid
of your names to our Call.

Can you not give us
also a line of sympathy
& God speed. If you cannot
give us the bitter help of
your presence? We
intend to make the Con-

Cause, & of New England.

& we want a full expression
of the advanced thought of

Most sincerely yrs
